## Laphroaig Select Single Malt Scotch Whiskey

*Laphroaig Select takes its name from the special selection of American and European casks, chosen for their unique character that they give during maturation.*

**Color:** A fully natural color with no caramel added, it is sparkling gold with layers of color – arising from different maturations and oils mixing together.

**Nose:** Peat first, then ripe red fruits from the PX and Oloroso casks. A hint of dryness next from the American oak with a long lingering florally finish – Marzipan and even limes at the end.

**Palate:** This full bodied whisky is initially sweet up front- matching the nose, then the classic dry, peaty, ashy flavors come bounding in followed by a lovely rich finish arising from the rich fruits of the European casks.
